RINGSPANN GmbH has operated for over 50 years, specializing in industrial freewheel clutch technology.

RINGSPANN CORPORATION, as an exclusive distributor and licensee, manufactures and assembles sprag and roller clutches for the North American market. Superior German engineering and American ingenuity are combined to bring you a winning combination of quality products and delivery above industry standards.

RINGSPANN can readily design new or modify existing products to suit your application.

“RINGSPANN CORPORATION for all of your Freewheel Clutch needs.”
